*Protect Your Sweet Spot*

**T**UFF SLEEVE™ is a 9 inch long synthetic rubber sleeve which covers the barrel of baseball and softball bats. It extends bat life by reducing fatigue from the constant pounding of the bat during batting practice. Tuff Sleeve is also an excellent instructional aide because it helps a batter to visualize the proper hitting area on the bat.

- **Reduces Bat Fatigue**
- **Reduces Vibration**
- **Teaches Hitting Zone**
- **Used In Batting Cages**
- **Reduces Scuffing**
- **Fits All Bats**
